## VOLUNTEER WORK

**Black Diamond Jr. Volunteer Corp.**  
*President/Founding mother*

It was 2009 when I discussed with two kids a way to find friends in the neighborhood and make a difference while doing it. BDJVC was born and the three of us gathered kids of all ages to participate in volunteer work around the community. I organized events with non-profits such as Blessings in a Backpack, DayStar Feeding Alliance, Adopt-a-Highway, and Habitat for Humanity.

*Since leaving this community in 2014 I have participated in various miscellaneous volunteer opportunities around the Tampa Bay area.*
